Experimental

These preferences are reserved for features that are currently being worked on and are not yet complete. This category can be enabled by enabling [Developer Extras](#). Most experimental features are only available in [Daily Builds](#).

Blender Preferences Experimental section.

Debugging

Cycles Debug

Show the Cycles rendering debug panel.

Override Auto Resync

Enables library overrides automatic resync detection and process on file load. Disable when

dealing with older blend-files that need manual Resync (Enforce) handling.

Proxy to Override Auto Conversion

Enables conversion of proxies to library overrides on file load. Disable if you want to keep existing proxies, and deal with their conversion yourself.
